During this event, we will have:

- **Live demonstrations** of the **Starkey Table Talker** and **StarLink Remote Mic +**, and **TV Streamer**.
- Deep dives into the **My Starkey app**, where you can learn about the **Auracast assistant**, **Google Fast Pair™**, and **Apple™ device compatibility**.
- Tutorials on how to **adjust hearing aid settings**, **stream calls and TV**, and even **find lost aids**.
- Overviews of **wellness features** that accurately count steps, track engagement, improve balance, and help achieve well-being goals.
- A showcase of smart tools that **translate languages**, **set reminders**, and **provide instant sound adjustments** to make life easier.
- A first look at the Status Indicator LED lights on the new Omega AI.

Join us on **July 14th** in the **C.E.H. office**, 300 S. State St., Suite 1, Zeeland, MI 49464 to see how these new technologies can help you hear better, wherever you go. **We'll assign you a convenient time slot between 1pm and 4pm.**
